Lynchburg, Va., August 4 - The work

Lynchburg, Va., August ; —The work on the double tracking of the Southern Railway between Monroe and Tye River, north of Lynchburg, is being pushed forward rapidly by Curtis & Shumway, the contractors, who began early during the spring. Already the second track is in use for construction purposes up to Cool Well, and the cotstuction forces have the grading nearly completed to Amherst Courthouse, while much of it is done beyond Amherst. The contract is to be completed by November 1, giving the system sixteen additional miles of double track, and making a stretch from the Nelson County line to Sycamore, below Lynchburg, of about fifty miles. It is generally understood that the remainder of the system between Tye River and Corange, the southern end of the original double track system, will be let to contract next year.

An unusually large number of strong men have been secured to address the annual convention of the Virgina Farmers' Institute, which meets here for two days' session next Thursday.

On this fact being established, Officer Dyer was taken into custody. Jones, after being shot, had started on his return to the city, had evidently waded or swam the river, and had died in the railroad yard. Coroner Leigh and a jury last night held an inquest on the body, and a verdict was rendered holding the offi-cer responsible for the killing of Jones. Officer Dyer made a statement to the jury, detailing the circumstances of the arrest of Jones and a colored woman named Royall for an offense committed in his sight. He said that while walking along with the prisoners, Jones asked him to release his hold on him promising to release his hold on him, promising to go along quietly. He turned Jones loose, saying to him: "If you run I am going to shoot you," meaning this as a bluff. Jones did run, and the officer says he
